 (Community Supported Agriculture) Garden, 1999 - 2003.
 Member, The Association of Professors and Researchers in Religious Education
 (APRE), 1999 to 2000
 Coordinator, New Orleans Advisory Committee for Cosmological and Ecological
 Education, 1996 to 1998

TEACHING

Graduate Courses in Theology

Religious Education Across the Curriculum
 The Emergent Universe: Our Sacred Story
 The Universe as Divine Manifestation

Undergraduate Courses in Theology/Pastoral Studies

Basics of Catechesis and Youth Ministry (*also taught to deacon candidates*)
 Catholic Faith
 Catholic Moral Tradition
 Christian Ministry Internship
 Christianity and the Environment
 Ecofeminism and Spirituality

Introduction to Ministry
Introduction to the New Testament
Introduction to the Old Testament
Living and Leading with Love and Practicum: Living and Leading with Love
Servant Leadership and Spirituality of Work – Honor’s College
Spirituality and Vocation (*also taught to deacon candidates*)
Women and the Bible – Honor’s College
World Religions

Graduate Courses in Teacher Education

Action Research for Teacher Leaders I
Case Studies in Environmental Education
Curriculum and Instruction, (secondary and middle school)
Designing Earth Science Instruction
Designing Life Science Instruction
Environmental Ethics and Education
Evolution
Foundations of Environmental Education
Foundations of Teacher Leadership
Graduate Teaching Methods of Science (secondary)
Graduate Teaching Methods of English (secondary)
Graduate Teaching Methods of Social Studies (secondary)
Graduate Teaching Methods of Math (secondary)
Leaders as Scholars: Philosophical Foundations and Issues in Education
Methods of Educational Research
Philosophies and Methods of Inquiry/Inquiry Seminar
Research Methods: Commitment to Educated Decision Making Through Research
Teachers as Professional Leaders
Teaching Environmental Education
Teaching Science Methods (elementary)
The Upper Housatonic River Valley Experience

Undergraduate Courses in Teacher Education

Child Psychology
Curriculum and Instruction, Elementary Education
Curriculum and Instruction, Secondary Education
Foundations of Education
General Geography II
Integrating Culture and Diversity in the Classroom
Introduction to Education
Personal and Community Health
Teaching Elementary Science
Teaching and Learning I

Graduate Level Professional Development Courses

Bird Sleuth: Math, Science and Technology
Designing Earth Science Instruction

Designing Life Science Instruction
Evolution Workshop
GarageBand Recording Studio
Integrating Technology into the Curriculum
Special Topics in Science and Math K-8: Astronomy
Special Topics in Science and Math K-8: Mount Greylock

Professional/Personal Development Courses (non-credit bearing)

Innovative Methods for the Twenty-first Century, University of Panama, Penonome, Panama (Spring 2015)
Thomas Berry and *The Great Work*, Passionist Earth and Spirit Center, Louisville, KY (Spring, 2015; Spring 2016)

Professional Development for Teachers

Science Standards and Catholic Identity, Diocese of Owensboro, Summer 2017
Teaching Engineering Using EiE (“Engineering is Elementary”) Units (BEST Grant), PD Day for K-2 Public School Teachers, Berkshire County, MA, Summer 2011
Caritas and Institutional Engagement, Brescia University, September 2019
Teaching During a Pandemic, Brescia University, September 2020
Caritas, Brescia University, January, 2021
Caritas, Brescia University, September 2021
“Beyond Apathy, A Theology for Bystanders,” Brescia University, November 18, 2022

RETREATS AND PRAYER

Directed retreats for musicians once per year while serving as Campus Minister at Loyola University, New Orleans, August 1993-May 1996.

“Finding a Way Back Home, the Place that Storms Cannot Destroy,” A series of retreats for hurricane Katrina survivors, co-facilitated with Dr. Jim O’Neill, 2005.
